## Continental bed

# CAMPANA

The CAMPANA bed with headboard is a proposal for a bedroom with a modern twist. A very simple form of the headboard with delicate horizontal stitching it will work in more minimalist interiors. We offer this bed in classic version (FIXED) with large (NORMAL) or small (SLIM) chest - box and in the version with an electric mechanism (MOTION). Possibility to control the bed with a wireless remote control makes the CAMPANA bed even more comfortable.

For couples with different requirements, there is an option to configure one part of the bed in a classic form and the other with the MOTION electric system.

All versions of the continental bed are available in various color variants, so that everyone will adjust the color of the fabric to the appearance of their bedroom
